

Conference bingo – 07.05.2021

You can hardly stand the exciting conference atmosphere? You never miss a word of what a lecturer says? Now you can prove it.

Mark a box with a cross as soon as the corresponding word is heard during a talk or discussion. If you have five crosses in a row horizontally, vertically or diagonally, go to the conference office to be entered on the leader board.

surprisingly	aspect	linguistics	part of speech	schwa
um... er...	morpheme	example	hardly	communication
gender	Can everybody hear me?	significance test	V1	research question
predicate	fieldwork	probably	minority language	well
survey	expression	hyothesis	Thank you for your attention!	multilingualism
