

## Conference bingo – 08.05.2021

You can hardly stand the exciting conference atmosphere? You never miss a word of what a lecturer says? Now you can prove it.

Mark a box with a cross as soon as the corresponding word is heard during a talk or discussion. If you have five crosses in a row horizontally, vertically or diagonally, go to the conference office to be entered on the leader board.

well	phoneme	representative	variety	applied research
categories	schwa	Can everybody hear me?	part of speech	survey
table	applied research	obviously	sound shift	adjective
verb	Thank you for your attention!	fieldwork	method	predicate
data	V2	comprehension	um... er...	surprisingly
