

Conference bingo – 09.05.2021

You can hardly stand the exciting conference atmosphere? You never miss a word of what a lecturer says? Now you can prove it.

Mark a box with a cross as soon as the corresponding word is heard during a talk or discussion. If you have five crosses in a row horizontally, vertically or diagonally, go to the conference office to be entered on the leader board.

morpheme	expression	semantic	Can everybody hear me?	table
communication	research	well	definitely	multilingualism
sound shift	minority language	especially	syntactic	um... er...
grammaticalization	feature	focus	hypothesis	significance test
Thank you for your attention!	prosody	example	linguistics	aspect
